教育方法等							
概要	The goal of this course is to continue the work started in second year with Global English I. We will review and build upon previous practice and knowledge and use a comprehensive set of language skills in an international context. Most importantly, students will also have many opportunities to create English in a communicative and collaborative way and use it to solve international social issues.						
授業の進め方・方法	1. Even if you feel shy, please try and speak as much as possible. 2. You must always bring the textbook and an electronic or paper dictionary. 3. Students cannot use their cellphones in class. 4. Feel free to come to my office to practice English conversation about anything you would 5. If students study well in class, there will be very little homework.
