教育方法等							
概要	The course is designed to study Japanese economy and economic policies in general. You will not only listen to the lectures, but also read newspapers or economic data, and do some assignments such as presentations or business analyses. 産業別労働組合での実務経験を踏まえ、経済政策立案過程における政労使の対立・協調関係の実態についても適宜紹介していく。						
授業の進め方・方法	・ It is important to understand that economic affairs have a direct influence on your life in present and future. ・ To prepare for and review each lecture, you need to check the following: - economic pages of daily newspapers - books, papers or websites introduced in class ・ The first half of each class will be a lecture given in English, and the second half devoted to assignments, in which the main language will be Japanese. ・ The lectures will be given in a normal classroom style, but if the number of registered students is small, it may be changed to a seminar style class.						
注意点	JABEE認定のためには、「国際経済」または「経済政策」のどちらかを履修する必要があります。 この授業は前期にのみ開講する半期終了科目です。
