Teaching Method					
Outline	Internships are provided under the supervision of company engineers. Participation in an internship encourages the preparation and awareness of being an engineer. As a result, we expect students to grow with a broader perspective. In addition, students will be asked to write a report on their internship experience to share with others.				
Style	Students will participate in internships. In addition, students will participate in various information sessions and submit reports.				
Notice	Absence without a valid reason during the internship period will not fulfill the requirements for the acquisition of courses. Be careful to take care of your health during the internship period so that you will not be late or absent from work.
