教育方法等							
概要	This course is a introductory course for learning English and some of the skills for the TOEIC test. In order to improve students listening ability, this course is mostly taught in English. English ○関連する科目: 英語ⅡA (前年度履修), 英語ⅡB (前年度履修), 英語ⅡC (前年度履修), 英語Ⅳ (次年度履修)						
授業の進め方・方法	In order to improve your English proficiency, you have to spend more time on preparation for this class. Needless to say, you need to use your English-Japanese / English-English dictionary to understand the unknown words you encounter. You also need to bring your dictionary to the class. We will have a vocabulary quiz in every class. English e-learning software will be introduced to enhance your English skills as well.						
注意点	In order to improve your English proficiency, it is not enough to take a once-a-week English class. Therefore, it is strongly NOT recommended to skip the class even once. If you are in a special condition to be absent, you need to submit your absence sheet to the Student Affair office right away and talk to your teacher so that you can catch up with the missed learning materials. Bring your dictionary (English-Japanese or English-English)
