学科の到達目標項目との関係					
教育方法等					
概要	The students will be learning common conversational phrases with basic grammar, and appropriate vocabulary from the textbook. In addition, they will stretch their English writing ability in creative writing. Learning to be flexible in their thinking no matter the language. Practicing their presentation skills in small increments leading up to a larger presentation second term.				
授業の進め方・方法	Most classes will have textbook work with phrases and vocabulary that will involve Individual work, pair-work, group-work. Some classes supplement the textbook learning with listening challenges to help become familiar with the textbook vocabulary and phrases. Most classes will also include creative class activities, where the students express thoughts and ideas in written English. Exams given cover all materials done in class, textbook and written activities (non-textbook).				
注意点	Please study the new vocabulary from the Units each week for exams and to use in activities, and in daily conversation.
