教育方法等						
概要	This course aims to develop students' reading proficiency in English. The textbook for this course is organized around reading passages about various topics as well as key grammatical features that are essential for reading comprehension. Therefore, the instructional emphasis is placed on reading skills such as reading for the main idea and reading for details. Throughout the course, students are encouraged to engage with communication in English.					
授業の進め方・方法	The class will be conducted in English. When introducing new materials or understanding the main idea, English will be the main vehicle for communication. 60% of the assessment is based on the regular paper-based exams and 20% is based on class participation and weekly homework assignments and 20% is based on weekly vocabulary quizzes. 事前に行う準備学習：前回の講義の復習および予習を行ってから授業に臨むこと (授業外学習・事前) 授業内容を予習しておく。 (授業外学習・事後) 授業内容に関する課題を解く。					
注意点	Students are encouraged to study for the vocabulary test every week. Students should score more than 60 on average in order to pass the course. If they fail the course, students are eligible to retake the exam.
