Assigned Department Objectives						
Teaching Method						
Outline		The main purpose of this class is to learn the basic grammar of German and to balance students' overall German reading, writing, listening, and speaking abilities. When learning grammar, we will incorporate many interactive practice that use the grammar topics in each section will be incorporated so students can learn German that is practical and alive. In addition, students will improve their German reading comprehension and increase knowledge of Germany through reading materials on German social conditions.				
Style		In addition to classes, a lot of interactive practice will be incorporated, and students will also improve reading comprehension through readings. Liaison: Akimoto Hiromi				
Notice		(1) During the first class, a few dictionaries will be introduced. Students should choose a dictionary from those that they think will be easy to use and bring it to the class every time. (2) Properly do the assignments given. Students who miss 1/4 or more of classes will not be eligible for evaluation.
