学科の到達目標項目との関係							
教育方法等							
概要	This class is designed to help students prepare to take TOEIC test. Students do best when they are familiar with the test format. A through understanding of test directions and task requirements allow them to focus fully on demonstrating their language proficiency. They develop the test-taking and language skills that they will need do well on the listening and reading test. In addition,students are expected to get used to TED TALK Program to enhance their listing ability.						
授業の進め方・方法	You are expected to be an active participant, not a listener. You will be actively engaged in class actively and tasks. The class is held in English, based on discussion, watching a TED TALK program. You will make some comments on speakers. You will have a vocabulary test. All the assignments will be completed in full and turned in on time.						
注意点	You are supposed to watch DVD clips before class and prepare for your opinion, following the requirements of each questions.
