教育方法等						
概要	In this course, English V students will improve their core English conversation and reading comprehension skills through presentation (individual and group).					
授業の進め方・方法	Lessons are based on the activities in the textbook, allowing students to easily keep track of their requirements and classroom pacing. Students are encouraged to review previous material and challenge themselves with bonus activities as developing a solid core of English vocabulary and grammar is essential for developing fluency. 『英語で意見を言ってみる』 Dialogue lessons Learning core expressions in the transcripts 『DUOセレクト』 Reading aloud (3 sections at each class) Checking the retention of vocabulary and expressions by means of quizzes					
注意点	Students are expected to preview and review lesson content outside of the classroom. The time in the classroom should be devoted to asking questions to confirm understanding, practicing the target lesson content and developing confidence by engaging in English conversation with the teacher and classmates. If the overall grade for the year is less than 60 points, the student will be evaluated on the basis of resubmitted reports and re-evaluation examinations. If the score is less than 60 even after re-evaluation, the student will not receive credit for the course.
