教育方法等							
概要	The objective of this class is to let students discover French in an easy and fun way. We will focus on communication using new technologies, and multi-media. In class, we will learn about French language but also history, music, food and cinema. We will use English, French and Japanese in class. By the end of the course, students will be able to carry out short conversations, listen to and understand native French speakers and get a basic but solid knowledge of France.						
授業の進め方・方法	1. Even if you feel shy, please try and speak as much as possible. 2. You must always bring the textbook and an electronic or paper dictionary. 3. Students cannot use their cellphones in class. 4. Feel free to come to my office to practice English conversation about anything you would 5. If students study well in class, there will be very little homework.
