教育方法等							
概要	This course will be divided into two parts: presentation and multimedia. First, we will focus on presentation skills: how to research, create and present an original topic while using proper posture, language, and voice. The final evaluation will be an interview in English during which the students will reflect on how they improved English during the class, and how they can keep on enjoying it after they graduate. なお授業内容は公知の情報のみに限定されている						
授業の進め方・方法	1. Even if you feel shy, please try and speak as much as possible. 2. You must always bring the textbook and an electronic or paper dictionary. 3. Students cannot use their cellphones in class. 4. Feel free to come to my office to practice English conversation about anything you would 5. If students study well in class, there will be very little homework.
