教育方法等

概要	Aim to give an understanding of basic German by developing the ability to read, write, listen and speak.
授業の進め方・方法	Basic grammar will be taught and reviewed in class. Small assignments in form of homework and tests will be given to check on understanding. Dictations will be done to improve reading, writing and listening. Spoken German will be practiced using small conversations at the beginning of each lesson and in role plays.
注意点	Students should participate observantly, take notes and ask questions. Reading aloud is an important part in class and the aim is to give every student a chance to read. Listening will be practiced by using the textbook included CD. Students will be advised to take advantage of the CD and material from the internet to listen to German. From time to time a small test and dictation will be done to check on understanding.
