学科の到達目標項目との関係							
学習・教育到達目標 A 学習・教育到達目標 D							
教育方法等							
概要		The aim of this course is to instruct students on the different types of paragraphs and writing styles that will be useful for future writing assignments. Each class will also focus on one individual grammar point to also assist the students with their writing abilities.					
授業の進め方・方法		Classes will be conducted in English with the main focus on writing skills, techniques, and format. Each class different types of paragraphs will be explored, how they are used, and students will have the opportunity to the use what they have learned in writing exercises.					
注意点		Active participation during classes is expected. Students will be required to write in every class, so as to focus them on what they have learned in each class. Students must bring a dictionary to each class as it is essential for writing.
