教育方法等							
概要		The aim of this course is to introduce students to English writing, with a focus on the structure and content of paragraph writing. Students will learn the basics of a paragraph, the different components and each class have the opportunity to use what they have learned. This class will assist students when the take the EIKEN test, and when they write academic papers.					
授業の進め方・方法		Classes will be conducted in English with the main focus on writing skills, techniques, and format. Each class different aspects of paragraph writing will be explored and students will have the opportunity to the use what they have learned in writing exercises					
注意点		Active participation during classes is expected. Students will be required to write in every class, so as to focus them on what they have learned in each class. Students must bring a dictionary to each class as it is essential for writing. Writing homework will be given in each classes.
