教育方法等							
概要	The purpose of this class is to practice communication skills by using listening, reading, writing and speaking excercises and activities.						
授業の進め方・方法	Prepare for the lesson beforehand and during the lesson, actively participate in conversations. After the lesson, review what has been presented and do the homework that has been given as extra practice.						
注意点	<p>【事前学習】 Prepare for the lesson beforehand and after the lesson, review and practice what has been presented. It is hoped that the students will be excited about studying English and that they will be motivated to continue practicing their skills.</p> <p>【評価方法・評価基準】 試験結果（80%）、授業態度（20%）で評価する。詳細は第1回目の授業で告知する。下記到達目標に示された項目に関する理解の程度を評価する。総合成績60点以上を単位修得とする。</p>
