Then, having the explanation in mind, students practice using the expression in a group or a pair. After the practice, some students perform their conversation before the other classmates.                                            |                                                                                                                       |                                                                                              |         |                                                               |     |    |
