Assigned Department Objectives							
学習・教育到達度目標 ①							
Teaching Method							
Outline		Acquiring correct geographical and historical knowledge, developing geographic and historical thinking skills, and training to understand society objectively and relatively.					
Style		Achievement goals 1 to 3 will be achieved by scoring 60% or more of the mid-term exams and regular exams conducted in each of the first and second semesters (4 times in total).					
Notice		Geography-history is not a memorization subject, but I would like you to acquire the necessary geographical-historical knowledge. However, it is important to think after acquiring knowledge. The exam asks basic geographical-historical knowledge, as well as questions about geographical-historical thinking. The most important thing is to enjoy learning about geography-history.					
Characteristics of Class / Division in Learning							
<input type="checkbox"/> Active Learning		<input type="checkbox"/> Aided by ICT		<input type="checkbox"/> Applicable to Remote Class		<input type="checkbox"/> Instructor Professionally Experienced
