Achievement 2		Students are able to express themselves confidently and make earnest effort to improve.	Students are able themselves but a hesitant to speak	are sometimes	Students are not able to express themselves, nor make any effort to improve.
Achievement 3		Students seek every possible opportunity to use English in the classroom activities.	Students make a effort to use Eng classroom activit	lish in the	Students make minimal to no effort to use English in the classroom activities.
学科の到達目標項目	目との関係	÷			
教育方法等	T				
概要	The students will be learning common conversation phrases with basic grammar, and appropriate vocabulary from the textbook. The focus of the class will be improving confidence in speaking. To do this, students will participate in three types of presentations—individual, with pairs and in groups. Last, they will improve their vocabulary through creative writing exercises.				
授業の進め方・方法 注意点	and group vocabulary will include	es will have textbook work with pl work. There will be supplementary and phrases and listening activitie writing activities where students terials, including presentations, do	ry activities to hel ies to enhance un express themselvers	p students beco derstanding of f	me familiar with textbook oreign cultures.
