The students will learn English presentation skills by studying famous speeches. To practice these presentation skills each student will have to recite a passage from the reference book of at least 200 words in length. Correct pronunciation will be emphasized.        |      |                                                                                                                                                                                                                  |  |                                                          |                                                                        |                                                    |

These short tests will be cumulative in that each test will have some content from all the previous lessons. Each week will introduce new conversations and new vocabulary. Also, each week there will be time to prepare for the English recitation. |      |                                                                                                                                                                                                                  |  |                                                          |                                                                        |                                                    |
