学科の到達目標項目との関係					
ディプロマポリシー 3					
教育方法等					
概要	Moananu: (1) To develop critical thinking skills through debates and discussions using authentic and current materials. (2) To develop presentation skills through task-based pair and group presentations on current topics. (3) To motivate students to continue to speak in English. (4) Use of Webtools 2.0 tools to fill in what the physical classroom lacks. SR: Teacher will devise most of the topics used for individual, pair and group speaking activities as well as presentations and discussions. Student input and suggestions will also be considered.				
授業の進め方・方法	Moananu: The teacher will generate debate, discussion and presentation material from handouts and CALL. The teacher will act as the facilitator while students take the lead role in classroom activities. Students will be encouraged to apply English strategies developed in their first and second years. SR: Teacher will create, guide, facilitate and evaluate student, pair, group speaking activities. Students must actively participate in all speaking activities.				
注意点	Moananu: All homework and assignments must be submitted by the deadline. Any make-up examinations due to absence will require a doctor's note or be an "excused" absence.
