Teaching Method							
Outline		This course aims to help students understand grammar and vocabulary used in the TOEIC test. By the end of the course, students will be able to achieve a score of 350-400 in the TOEIC test. In addition, the course includes reading practices where the students will be engaged in a variety of reading activities to develop reading skills.					
Style		The instructional emphasis will be on pair work as well as lectures. There will be a lot of interactions between the lecturer and the students, and therefore, active participation is strongly encouraged. Students are required to prepare for the class in advance and review the materials after the class in order to fully understand the class content.					
Notice		Grading will be based on exams. Students should mark more than 60 on average in order to pass the course. When they fail the course, students are eligible to retake the exam.
