Assigned Department Objectives					
Teaching Method					
Outline	In addition to helping students pay attention to various contemporary world affairs such as China's 'exam hell', the issues of the gap between the rich and the poor, positive effects of playing games, AI and our life in the future, the course aims at developing dictation skills, accurate reading comprehension and enhancing grammatical accuracy as well as general vocabulary power.				
Style	Students are expected to actively engage in overall class activities. The class opens up with dictation activities; after that, they are to engage in understanding the passage by answering the questions. Also, they work on grammar exercises provided by the instructor: They check their answers in pairs and in whole class, finally.				
Notice	Over 60 points will be the criteria for obtaining credits. Otherwise, students are allowed to take a make-up test on request.
