Toyama College		Year	2022		Course Title	International	Logistics I	
Course	Informa	ation			1			
Course Co	ode	0106			Course Category	Specializ	ed / Elective	
Class For	mat	Lecture			Credits	School C	edit: 1	
Departme	epartment Departme		ent of International Business		Student Grade	4th		
Term		First Ser	nester		Classes per Wee	ek 2		
Textbook Teaching	Matérials							
Instructor	r	Murayar	na Masako					
Course	Objecti	ves						
Understar	the basic nd the log	concepts of gistics eleme	global logistics. ents such as transp	portation, cargo h	andling, and stora	ge, and their i	roles.	
Rubric					1			
			Ideal Level		Standard Level		Unacceptable Level	
Achievement 1			Students will be able to explain the current state of logistics surrounding international business.		Students will be able to explain the current state of logistics surrounding international business, albeit inadequately.		Students cannot explain the current state of logistics surrounding international business.	
Achievement 2			Students will be able to explain modern logistics and business issues.		Students will be able to explain modern logistics and business issues, albeit inadequately.		Students canno logistics and bu	ot explain mode Jsiness issues.
