評価項目3 Presentation skills		Student is clearly able to give a well-structured presentation including all the required tasks.	Student is partially able to give a well-structured presentation including all the required tasks.		Student is unable to give a well-structured presentation including all the required tasks.		
評価項目4 Presentation contents		Presentation contents are well-organized and pertinent to the task.	Presentation contents are partially well-organized and pertinent to the task.		Presentation contents are poorly-organized and not pertinent to the task.		
評価項目3 Presentation delivery		Presentation delivery was clearly effective and convincing.	Presentation delivery was partially effective and convincing.		Presentation delivery was not effective nor convincing.		
学科の到達目標項目との関係							
教育方法等							
概要	(1) Goal To acquire English communication skills required for research and work. To improve hearing and reading accuracy for English materials such as e-mails, reports, basic conversations. (2) Overview Ability to listen to the content of information related to business, through exercises equivalent to 400 points on the TOEIC test. Increase vocabulary and add reading comprehension. (3) Teach the necessary skills to give technical presentations in English. *This class will be led by a teacher who is licensed in TESOL (Teaching English to Speakers of Other Languages) as well as in TEFL (Teaching English as a Foreign Language).						
授業の進め方・方法	The class meets once a week for 90-minutes in the language lab. The teacher will use the textbook as a basis and supplement it with other authentic material. The teacher will introduce various web applications including CALL that will help with the aims of this class						
注意点	All assignments should be submitted by the deadline. Make-up examinations due to absence will ONLY be given with a doctor's note or an "excused" absence.						
授業計画
