| In order to attain the goal of A-1 and F-2, students will develop skills and gain confidence in English communication (A-1) through completing tasks which help them to express themselves in different situations . These skills will be relevant to their future careers (F-2). 基盤となる工学分野において、必要な英語の基礎力を身につける。 |      |                                                                                                                                                                            |                            |                                                      |                                                                                                                                                                                     |                                                                 |  |
