教育方法等							
概要		This course aims to teach learners fundamental English conversation skills in a small, supportive class setting. Learners will study English grammar and vocabulary, learn writing skills, and practice conversations in pairs.					
授業の進め方・方法		The textbook is used in all lessons. After attendance is taken, the teacher will collect homework, (which serves as a review and preparation). Students have a chance to listen to English, read, write and speak it in most lessons. They learn grammar and vocabulary as part of the lesson.					
注意点		Students must remember to arrive to class on time, with their textbook. Please prepare before lessons, and review afterwards. Students will write many tests so daily English study is important. Evaluation will be based on the goals above. The semester score will be based on review tests worth 80%, and 20% based on successful completion of homework.
