Assigned Department Objectives					
Teaching Method					
Outline	The objectives of this course are to develop the ability to think things from various perspectives and to communicate through a variety of training experiences overseas. The training can be carried out during summer vacation, etc. The number of days for the training must be more than five days. This course's content will amount to over 45 hours in total. These hours include training overseas, preliminary guidance (manner lesson, preliminary research on the training destination), debrief session, and self-study time for preparing reports to be submitted to relevant institutions, etc.				
Style	Pre-orientation, on-site training, and debriefing				
Notice	Students are required to keep in close contact with their class teacher or supervisor. During the training, students are required to actively engage and communicate with the local people and act appropriately as a trainee, including their clothing and language. No conditions for missing classes that will not be eligible for a passing grade.
