Course Plan					
			Theme	Goals	
1st Semester	1st Quarter	1st	Orientation (internship procedures, manners during internship)	To understand the procedures during internship training.	
		2nd	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		3rd	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		4th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		5th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		6th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		7th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		8th	No Mid-term Exam		
	2nd Quarter	9th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		10th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		11th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		12th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		13th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	
		14th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.	

		15th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		16th	No End-term Exam	
2nd Semester	3rd Quarter	1st	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		2nd	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		3rd	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		4th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		5th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		6th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		7th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		8th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
	4th Quarter	9th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		10th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		11th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		12th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		13th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		14th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		15th	Internship at a private company, public office, university, or NPO related to architecture.	To acquire practical experience at a company.
		16th	No End-term Exam
