概要	The objective of this course is to develop the oral English communication skills necessary for winning a high school levelEnglish speech/presentation contest. The course will focus onstrategies for creating and delivering presentations, and plentyof English language support will be provided by the textbook andthe teacher as needed.				
授業の進め方・方法	Every two weeks, we will practice a different technique for displaying confidence in English presentations, such as making good eye contact, showing natural gestures, using audience-friendly visual aids, and so on. Each technique will be practiced in a short (2-minute) speech. Then, all of the techniques will be combined and used for a final, 5-minute English presentation.				
注意点	Active participation in English is essential for completing thiscourse successfully. During this class, being more than 15 minuteslate, doing coursework for other professors, sleeping, talkingout-of-turn at length, playing smart phone games, and any similaractions that distract one's focus away from class will result in arecorded absence or a required make-up class. 合格の対象としない欠席条件(割合) 1/4以上の欠課
