学科の到達目標項目との関係						
教育方法等						
概要	Students will learn how to use body language, intonation, logical structure and visual aids to give clear and confident presentations in English. During the course, students will prepare and make several short presentations. At the end of the first and second semesters, they will make a longer final presentation. There will also be a group research project and presentation.					
授業の進め方・方法	In class, students will watch examples of various types of presentation. They will then write their own presentation and make their own materials. Finally, students will make presentations in class.					
注意点	Please review class contents regularly. Your grade is based on your presentations, so please don't be absent on presentation days.
