授業形態	授業		単位の種別と単位数	学修単位: 2		
開設学科	エコシステム工学専攻		対象学年	専1		
開設期	後期		週時間数	2		
教科書/教材	Pathways: Listening, Speaking, and Critical Thinking Split 1A, by Becky Tarver Chase, Christien Lee, Paul MacIntyre, Kathy Najafi, Cyndy Fettig					
担当教員	森川 寿					
到達目標						
The aim of this course is not just to understand the written English in the textbook but to express your opinion in English based on what is provided in the textbook. In order to do that, you must make efforts to improve your listening and speaking ability as well as critical thinking.						
ルーブリック						
	high level of achievement		standard level of achievement		low level of achievement	
Listening	When you listen to the English conversation, you can understand the contents perfectly.		When you listen to the English conversation slowly, you can understand the contents.		When you listen to the English conversation, you can hardly understand the contents.	
Speaking	You can express what you want to say in English.		You can express what you want to say in English if you prepare for it.		You can hardly express what you want to say in English even if you prepare for it.	
学科の到達目標項目との関係						
教育方法等						
概要	Over the course of the term, you will be responsible for a variety of spoken communication tasks such as interviewing, talking to your peers, or making a speech and presentation in class. You must prepare for the class each week to be able to speak your opinion.					
授業の進め方・方法	The course provides practice in four main areas: 1) Building and using vocabulary 2) Developing listening skills by using CDs and Videos 3) Exploring spoken English including pair work and group work activities 4) Expressing your opinion based on supportive data					
注意点	This course is designed for self-motivated students who are interested in actively taking charge of improving English skills. You can expect to see improvement in your speaking and critical thinking only if you come to class regularly. At the end of the semester, you will take TOEIC-IP L&R Test. If you obtain more than 500points or your score is higher than the previous TOEIC test by 100points, certain points are added to your final grade.
