Tsuyama C	ollege	Year	2021		Course Title	Health and Physical Education I		
Course Information								
Course Code	0019			Course Category	General	General / Compulsory		
Class Format	Skill			Credits	School C	School Credit: 3		
Department	Department of Integrated Science and Technology Communication and Informations System Program			Student Grade	1st	1st		
Term	Year-round			Classes per Week	3	3		
Textbook and/or Teaching Materials	Textbooks : "Zusetsu gendai koutou hokentaiiku ", "Step up koukou Sports" (Taishukan Shoten)							
Instructor	ARAKI Shoichi,UCHIKURA Koji							
01 : 1:								

## Course Objectives

Rubric

Learning purposes:

Students will acquire the ability to think about and solve problems related to athletic issues while developing individual and group skills through various sports. In addition, they will acquire the skills necessary for group activities, such as "listening to others' opinions" and "cooperating with others" through practicing group activities. In health studies, as well as P.E., they will develop the ability to understand more deeply, reflect on, and solve issues related to today's health problems.

Course

Objectives:

olimitative the skills and strategies of various sports.

2. To be able to understand others' opinions, respond to them and express your own opinions clearly.

3. To be able to compare your situation with that of those around you.

4. To be able to realize your role, take the initiative and cooperate with others to solve problems and achieve your goals.

@4. To be able to realize your role, take the initiative and cooperate with others to solve problems and achieve your goals.

Excellent	Good	Acceptable	Not acceptable				
To be able to understand the skills and the strategies of various sports and embody them.	To be able to understand the skills and the strategies of various sports.	To be able to understand about 50 % of the skills and the strategies of various sports.	To not be able to understand the skills and the strategies of various sports at all.				
To be able to understand others' opinions and express your own opinions, taking theirs into consideration.	To be able to always listen to others' opinions and express your own opinions.	To try to listen to others' opinions and express your own opinions.	To not be able to listen to others' opinions or express your own opinions.

To try to understand what problems you are facing				

Precautions on the enrollment: Students must take this class (no more than one-fifth of the required number of class hours missed) and earn the credit in order to complete the 1st year course. Students have to wear appropriate clothes for exercise in class. (No accessories or watches.) Course advice: There is no special advice, but in the future, advanced exercise skills will be required as the grade goes up, so make sure you acquire the foundation firmly. Foundational subjects: Health and P.E. learned in junior high school Notice Related subjects: Health and P.E. II (2nd year), Health and P.E. III (3rd), P.E. (4th) Attendance advice : Attendance advice:
If you come to class five minutes or more after the class starts, you will be marked as "being late". If you come 20 minutes or more after the class starts, you will be marked as "being absent". "Being late for class four times" is regarded as "one absence". Although it is important to attend every lesson, you should not think you have only to attend the class and do well in tests. The important thing is to show an eagerness and positive attitude to improve yourself in each class. We would also like you to understand the importance of appropriate clothes, preparation for the class, putting things back after the class, and some related jobs, such as scorers and referees in sports and put those things into action.
