Assigned Department Objectives						
Teaching Method						
Outline	General or Specialized: General Field of learning : English Foundational academic disciplines: English Studies / Anglo-American / Literature / Linguistics / Phonetics Relationship with Educational Objectives: This class is equivalent to "(1) Cultivate human creative talent, rich in practical abilities", "(5) Attain a global perspective and understanding of social development", and "(7) Develop communication and presentation abilities". Relationship with JABEE programs: The main goal of learning / education in this class is "(B)". Course outline: The students learn in order of the contents and grammar of a textbook, and perform the expression activities of speaking and writing.					
	Class outline: Read the material, summarize the gist of it in English, and practice communicating it orally to others.					
Style	Course method: Students read aloud the text, summarize the abstract in English, and present their findings in English. Grade evaluation method: The results of the 4 regular examinations are averaged out (50%). Students are graded on the basis of the results of the examinations and assignments (50%). For the final evaluation at the end of the academic year, the results of the above method are added to the final exam, converted to 90%, and the result of TOEIC-LR is added to the evaluation by 10%. Students are not allowed to bring textbooks and notebooks to the examinations. In some cases, the student may be required to retake the exam.					

Notice	Precautions: This course is required to be taken in order to complete the course of the academic year.				
	Course advice: Actively participate in the class and submit the assignments within the deadline. Many prints will be distributed, so prepare your own files. Make sure to perform Note and PowerPoint tasks, including TOEIC tasks, and be sure to meet the deadline. Be aware that English is necessary for your future career. For the TOEIC, listen to the CD repeatedly.				
	Basic subjects: English I (1st year), English Expression I (1st), English II (2nd), English Expression II (2nd), English III (3rd)				
	Related subjects: International English I (4th year), International English II (5th), English V (5th)				
	Attendance advice : Admission after the start of class is considered to be late, and two late arrivals will be considered an absence.
