教育目標 (G)							
教育方法等							
概要	The underlying philosophy of this course will be to introduce English conversation as a rewarding, meaningful and effective means of communication. It will also endeavour to acquaint the students with some knowledge of English culture and the differing attitudes, customs and traditions of the English speaking world.						
授業の進め方・方法	Students will be evaluated upon the results of Mid-term (35%) and Final (35%) examinations, completion of homework (20%), and class participation (10%).						
注意点	The teacher intends to make this course enjoyable as the students learn practical English conversation in a variety of international situations. It is essential that all students bring dictionaries to class and actively participate in the speaking/listening/reading/writing activities during class.
