| 概要  |                   | Japanese<br>course, if<br>complexi | will practice improving their English conversation skills. They will learn the differences between and Western cultural speaking styles in order to communicate more effectively. By the end of the students work hard, they will be able to speak English more fluently, accurately, and with more ty than they could at the beginning of the year. |                 |   |  |                    |   |  |
