教育方法等					
概要	The course will show students how to plan and prepare a speech. Students will follow a six-step procedure of: (1) deciding a topic, (2) making a brain-storming map, (3) preparing an outline, (4) writing an opener and closer for the speech, (5) making notecards for the speech, and (6) practicing and presenting the speech in front of the class. Heavy emphasis will be placed on the mechanics needed to make an effective public presentation. These mechanics include; eye contact, voice inflection, posture, and gestures.				
授業の進め方・方法	Lectures, handouts, and practice. Students will primarily used the textbook, "Present Yourself 1, Second Edition." Other materials will by provided by the instructor in class.				
注意点	Students will be expected to be able to publicly present and defend their own ideas in English without any serious difficulty. (C-3) Students will be graded on in-class participation (20%)(C-3), homework (20%) (C-3) and performance on presentation projects (60%)(C-3). Students are required to get more than 60 points.
