	理想的な到達レベルの目安			標準的な到達レベルの目安		未到達レベルの目安	
Conversation	Students participate in class discussions as well as pair work with conversation models.			Students understand the basic conversations but can't elaborate.		Grammatical errors that lead to not being able to be understood.	
Listening	Students understand the lesson completely and ask questions otherwise.			Students understand the basics but not the complete meaning.		Students are lost and don't ask questions about what they don't know.	
Reading/ Grammar	Students do the written assignments and do so with correct grammar and punctuation.			Students complete some of the assignments but leave the sections they don't understand completely.		Students give up when challenged with new grammar and lengthy writing assignments.
