到達目標						
(1) Students can become familiar with the TOEIC test format through the exercises in "A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST -Elementary", and develop practical speaking skills by practicing conversations that appear in the TOEIC questions, rather than simply preparing for the test. This is not just a mere preparation for the test, but also a way to develop practical speaking skills by practicing conversations that appear in the TOEIC questions. (2) Through the exercises in "A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST -Elementary", students will be able to develop their listening and reading skills necessary for conversation and TOEIC and other certification tests. (3) Students can review the basics of English grammar through exercises in the "Comprehensive English FACTBOOK English Grammar -Core" to develop the ability to communicate not only in writing but also in speaking. (4) Students will be able to study at the prescribed pace through e-learning based on the above textbooks.

Listening, Reading	Through exercises in A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST, students will become familiar with the question format of the TOEIC test and fully understand the English content of listening and reading questions.		Through the exercises in A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST, students will gradually become familiar with the question format of the TOEIC test and be able to understand the English content of listening and reading questions given sufficient time and explanation.		Even after going through the exercises in A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST, the student is unable to become familiar with the question format of the TOEIC test and is unable to understand the English content of the listening and reading questions even with sufficient time and explanation.	
Speaking	Through conversation practice using the questions in A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST, students will be able to speak natural everyday English.		Through conversation practice using questions from A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST, students will be able to engage in basic everyday English conversation while watching the supplementary materials.		Even with supplementary materials to practice conversation using the questions in A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST, students cannot have a basic daily English conversation.	
Writing	Through the exercises in "Comprehensive English FACTBOOK English Grammar -Core", students will be able to write and speak accurately in English what they want to say.		Through the exercises in "Comprehensive English FACTBOOK English Grammar -Core", students will be able to write and speak what they want to say in English.		I cannot write or speak what I want to say in English because I cannot do the exercises in "Comprehensive English FACTBOOK English Grammar -Core" well enough.

教育方法等						
概要	This course is designed to cultivate the ability to communicate in English by learning the vocabulary, syntax, and grammar necessary to achieve a reasonable score on the TOEIC and other external tests. In addition, students will read English articles on current issues to deepen their reading comprehension skills and cultivate a global standard perspective. Video and audio will be used as appropriate.					
授業の進め方・方法	(1) Students will become familiar with the format of the TOEIC test through "A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST". (2) Through "A COMMUNICATIVE APPROACH TO THE TOEIC L&R TEST", students will not only prepare for the test, but also practice speaking the conversations that appear in the TOEIC test questions. (3) Students will practice writing and speaking skills to communicate one's own ideas through exercises in "Sogo Eigo FACTBOOK English Grammar -Core". (4) Students will be able to study at the prescribed pace through e-learning based on the above texts.					
注意点	This course is designed to build on English I through English III in this course and to develop actual operational skills in English, and is closely related to English examinations such as the Practical English Proficiency Test and TOEIC. We expect students to actively engage in learning outside of class through e-learning using the Internet. An in-school English vocabulary contest will be held three times a year. This course requires 90 minutes of self-study at home after school for every 90 minutes of class. If the overall grade for the year is less than 60 points, the student will be evaluated on the basis of a re-submitted report and a re-evaluation test. If the score is less than 60 even after reassessment, the credit will not be granted.
