教育方法等					
概要	Each lesson will follow one unit of the textbook in grammar, vocabulary, and pronunciation activities. Every class will start with a show & tell activity, singing the song of the month, and English conversations in groups or pairs. Make sure you try speaking in English. Ask questions if you don't understand. Don't be shy!				
授業の進め方・方法	90 minute lessons with a short break (2, 3 minutes) in between to check homework will not always cover an entire unit of work, so it is important to cover material that was not done in class by yourself. Feel free to ask for help outside of class hours by e-mail or going to Mr. Tomek's office.				
注意点	Take notes and participate actively in class, and make sure to study and review after every class and look ahead to prepare for the next lesson at home. Late assignments will receive 0. NO RE-TESTS.
