学習・教育到達度目標 (C2)						
教育方法等						
概要	Each lesson will follow one unit of the textbook in grammar, vocabulary, and pronunciation activities. Every class will start with a show & tell activity, singing the song of the month, and English conversations in pairs or groups. Make sure you try your best to speak English without being afraid of making mistakes. If you don't understand, do not be shy to ask questions.					
授業の進め方・方法	90 minute lessons with a short, 2-3 minute break in between to check homework. It may not be possible to cover entire lesson content in one lesson so it is crucial for students to go over material not covered in class by themselves. Do not hesitate to ask for questions in or out of class.					
注意点	Take notes and keep handouts in a separate notebook. Make sure to participate actively in class, as misbehavior can lead to a deduction of up to 10 points of your final mark. Reviewing before and after every class is essential to prepare for the next lesson and tests. Bring a dictionary with you to class. Late assignments will receive 0. NO RE-TESTS.
