教育方法等						
概要	Each unit of the textbook will take 2 lessons to complete, but content that is not covered in class but in the text are still on the test. Online homework is necessary to complete outside of class time, and continued reviewing of content is key. Make sure you try your best to speak English without being afraid of making mistakes. If you don't understand, do not be shy to ask questions.					
授業の進め方・方法	Every class will start with English conversations in pairs or groups and singing the song of the month, followed by TOEIC vocabulary that will be tested in a quiz every other week. It may not be possible to cover entire lesson content in one lesson so it is crucial for students to go over material not covered in class by themselves. Do not hesitate to ask for questions in or out of class.					
注意点	Take notes and keep handouts in a separate notebook. Make sure to participate actively in class, as misbehavior can lead to a deduction of up to 10 points of your final mark. Reviewing before and after every class is essential to prepare for the next lesson and tests. Do not forget to complete the online homework in a timely manner. Bring a dictionary with you to class. Late assignments will receive 0. NO RE-TESTS.
