学科の到達目標項目との関係							
教育方法等							
概要		Students work in teams to increase their English communication abilities with a focus on speaking and writing. Focus is placed on effort to communicate using English they know. Reducing anxiety, building confidence, and creating a safe learning environment are critical elements to every lesson.					
授業の進め方・方法		Oral communication - The first 45 minutes are dedicated to listening and interviewing partners. Students work in groups to answer questions with their personal information and then interview partners. Presentation - The final 45 minutes are dedicated to a group project/presentation. Students brainstorm, create outlines, and work together to create descriptive texts.					
注意点		Textbook, PC, and dictionary are necessary for doing tasks in every lecture.
