Can understand the content about 75%.	Read more than 5000 words in a week. Can understand the content about 60%.

学科の到達目標項目との関係

教育方法等

概要	This course is designed for students who have basic English skills to improve their practical English skills. The course also aims to help students prepare for TOEIC IP test. 【III-B】 【複数教員担当方式】
授業の進め方・方法	・The course book used in lectures focuses on grammar and vocabulary acquisition. Students are required to answer the questions in advance of lecture and revise it after lecture. ・Vocabulary quiz is administered in every lecture. Students are required to prepare for one. ・In order to build reading and listening skills, students are required to read/listen more than 5000 words in a week and keep reading and listening log. ・Based on what they have learned through the course, students are expected to score about 475 for TOEIC IP test, which is administered in the course.
注意点	If students had the test in other test centers and scored higher than they did in the test held in the course, they can claim to use the score for the evaluation if they submit the score report by the due date.
