Students should be able to express themselves orally through written medium in English.			d und	owing almost lerstanding I vocabulary ticiaption.	st perfect of the content y via frequent	the contents	Showing good understanding of the contents and vocabulary via frequent participation.		the co	ng little understanding on entents and vocabulary varate participation despite onal disruptions.	
Students can understand the contents through the medium English.			n of gra	playing flue of English mmar and ring more t ims and pre	use of Englis	Displaying fluent and accurate use of English with a few errors and scoring more than 70% in the exams and presentation.		Englis less th	ying inaccurate use of h with errors and scorin nan 60% in the exams a ntation.		
 学科の	到達目標	項目との				·					
教育方:			-								
・ The co ・ The co tasks, st				burse is conducted in English. Students are expected to use (especially speak) English during lecture burse is conducted based on content-based/ task-based learning. Through thinking and doing many idents are expected to improve upon their English. Burse encourages rich interactions among an instructor and students to improve oral communication inglish.							
授業の進め方・方法 participati				se is highly dependent on speakng and listening in English. As the classes are student-centered, ion is mandatory. The oral interview tests will be based on content covered throughout the coursen, you will be creating resumes, cover letters, and outlines of your research in English.
